A case of serendipity

BY JAQUELINE ANDERSON MAXEINER

After SAG 2014/3 had been sent out, I soon had the following e-mail "As always I was reading the latest edition of *Swedish American Genealogist* from cover to cover. While reading the article called *Handwriting*

Example 40 on page 11, I realized that this article was of great personal interest to me. Per Rumpilipump Stendahl is my 6th great-grandfather. I am descended through his daughter, Maria."
