 XIII. 13676. NICOLAI, Haquinus (NILSSON, Håkan), d. Frändefors 1565 (ms); clergyman, dean for Dalsland.⁶

¹Although Tora Hellberg's birth was registered as illegitimate, evidence points to the fact that Axel F. Rinnblad was her natural father. This has been corroborated by a half-brother and a cousin of hers. Tora's mother emigrated to the United States in 1895 and from the age of two she was reared by her grandparents and listed as a foster daughter in her father's family in the household examination roll. Her middle name Axelia, is the feminine form of her father's name Axel.

²Through his son Bengt he is the ancestor of Johan Olof Wallin (1779-1839), archbishop of Sweden and well-known psalm writer.

³A grandson Lars was ennobled Grandfeldt 16 June 1689 and another grandson Arvid became court medalist to Charles XI and Charles XII and was ennobled Karlsten 6 Jan. 1692.

⁴He signed the protocol of the famous Uppsala Council 1593 accepting the Augsburg Confession for the Swedish State Lutheran Church. He is also listed in the tax lists for the ransom of Älvsborg 1571. His great grandson, Gunno Dahlstierna (1661-1709), Swedish poet was ennobled 26 Aug. 1702. Another great grandson, Olof Tilas (1684-1749) was ennobled 15 June 1719.

⁵He signed the protocol of the Uppsala Council 1593.

⁶He was the ancestor of one of the largest families of clergymen in Dalsland and Värmland. Through his son, Brynolphus Haquini (No. 6836) he is the progenitor of many notable Swedes, in addition to Arvid Karlsten and Gunno Dahlstierna, already mentioned, such persons as Catharina Rosaura (Rosa) Carlén (1836-1883), author and Wilhelm Peterson-Berger (1867-1942), composer. Through his son Laurentius he is the forebear of Anna Maria Lenngren (1754-1817), poet; Carl Gustaf Löwenhielm (1790-1858) and Carl Axel Löwenhielm (1772-1861), both Swedish diplomats; Torsten Rudeen (1661-1729), bishop and poet; Carl Rudenschöld (1698-1783), politician and author; Magdalena Rudenschöld (1766-1823), lady in waiting at the Swedish court; Thorsten Rudenschöld (1798-1859), educator and Carl Wilhelm Stenhammar (1871-1927), composer.
