**Intersections** is a publication by and largely for the academic communities of the twenty-seven institutions that comprise the Network of ELCA Colleges and Universities (NECU). Each issue reflects on the **intersection** of faith, learning, and teaching within Lutheran higher education. It is published by the NECU, and has its home in the Presidential Center for Faith and Learning at Augustana College, Rock Island, Illinois, the institutional sponsor of the publication. **Intersections** extends and enhances discussions fostered by the annual Vocation of Lutheran Higher Education Conference, together lifting up the vocation of Lutheran colleges and universities. It aims to raise the level of awareness among faculty, staff, and administration about the Lutheran heritage and church-relatedness of their institutions, especially as these **intersect** with contemporary challenges, opportunities, and initiatives.
