Handwriting example 4
This is a flyttningsbetyg, also called flyttningsbevis (removal certificate). This document was mandatory if you wanted to move to another parish. You had to go and see the pastor and tell him you wanted to move, then he filled out the form with information based on the clerical survey (husförhörslängd) and what you told him. When you arrived in the new parish, you had to go to the pastor within a week and give him the flyttningsbevis. He copied the information into the moving-in book (in-flyttningslängden) and the appropriate page in the clerical survey.

The above document shows both the old handwriting, and the old printing font, called frakturstil.

Translation and transcription are found on page 24.
