## *Tracing Your Swedish Ancestry*

*James E. Erickson and Nils William Olsson*

© 2000 Swedish Information Service, New York  
ISBN 0-911470-00-X

This hands-on guide to genealogical research for Americans with Swedish roots has long been one of the Swedish Information Service's "best sellers," with some twenty copies of the guide sent out per week. Now a new, forty-page edition is out with a whole section on web resources. James E. Erickson, Ph.D., editor of *Swedish American Genealogist*, has prepared this updated version of Nils William Olsson's classic text, which first appeared in 1963.
