House of Emigrants Offers Scholarship Program

Governor Sten Wickbom of Kronoberg *län* in Sweden recently announced a scholarship program for scholars and students engaged in migration research at the House of Emigrants (*Utvandrarnas Hus*) in Växjö. This new research scholarship program welcomes persons whose migration research partly or completely deals with Sweden or Swedish conditions. The scholarship grant represents a value of up to 75,000 Swedish *kronor* (ca. \$11,500.00), depending on how long the scholar remains in Sweden with the length of the program varying from one to nine months. The grant is expected to cover all maintenance costs and travels in Sweden but does not include the transatlantic airfare. For further information prospective applicants should write to the Swedish Emigrant Institute, P.O.Box 201, 351 04 Växjö, SWEDEN.
