An Inventory of SAG Articles 1981-1994

Nils William Olsson

Recently a subscriber wrote to the editor asking if there were a possibility of publishing a comprehensive list of all the articles which have appeared in *Swedish American Genealogist* since the inception of the journal in March 1981. The idea seemed a good one and since other readers from time to time have asked the editor concerning the publication of material pertinent to their research, an effort will here be made to run an inventory of all articles published over a period of thirteen years. Certain modifications have been made. Thus no mention will be made of the sections devoted to genealogical queries nor book reviews. Minor announcements which are time-dated have also been omitted. Most of the issues are still available, except those out of print marked (OP). All extant issues may be ordered from The Swenson Swedish Immigration Research Center, c/o Augustana College, Rock Island, IL 61201. The cost per issue is \$6.00, which includes postage and handling. Make checks payable to *Swedish American Genealogist*.
