Färnebo häradsrätt (S) Ala:29 (1757-1758) Image 702 (Arkiv Digital)

This court case was discussed in the District court (*häradsrätt*) of Färnebo in eastern Värmland during the fall meeting (*Hösteting*) of the court during October 1758. The court with its judge (*härads hövding*) and its 12 permanent jurymen (*nämndemän*) assembled in the city of Filipstad.

The court meeting went on for several days, and many different items were on the agenda.

The meeting started on 19 Oct. 1758, and in separate minutes were listed cases of guardianships and sales of real estate. Next came 134 cases of crimes, conflicts,

and more, and then the meeting ended on Oct. 27. Not everything was resolved, but some cases were referred to the first meeting of the next year (*Vinter ting*).

At the end there should also be a list of the fines that the court had decided on, but it is missing for this meeting.
